End of Term Newsletter: Term 2, 2024

Introduction

Dear Parents, Guardians, and Students,

As we conclude Term 2 of 2024, we reflect on the significant strides made and the exciting developments that have taken place at Founders High School. This newsletter highlights our achievements, important updates, and key information for the upcoming term. Your continued support and engagement are crucial to our shared success, and we are grateful for your commitment to our school community.

Achievements

- **Procurement of a Brand New School Bus:** Enhancing our transportation capabilities for school educational tours and extracurricular activities.
- **Repairs to O and A Level Furniture:** Ensuring a conducive learning environment with well-maintained facilities.
- **Purchase of Drip Irrigation Kit for the Garden:** Promoting sustainable practices and enhancing our horticultural projects.
- **Sporting Teams Excelling:** Our teams have not only excelled locally but also proudly represented the province at the national level.

Special Levy

To enhance security for our learners and protect school property, we have introduced a special levy to expedite the construction of the remaining sections of the perimeter wall. Unfortunately, theft of the school fence has left the school vulnerable to unlawful entry. We appreciate your understanding and support in addressing this urgent need.

Term 3 Fees

- **General Purpose Fund (GPF):** \$40 USD
- **Tuition:** \$40 USD
- **Levy:** \$70 USD
- **Practical Fee:** \$10 USD
- **Special Levy (Perimeter Wall):** \$20 USD
- **Total:** \$180 USD

We urge parents to pay the full fees on or before the start of the term. Regrettably, some parents have not honoured their payment plans for Term 2, resulting in outstanding balances.
